Alterations and info due to COVID 19

We have to work on assumptions, as we do not know while writing this the outcome of Covid 19 by October.

We have decided, not to have the Sunday 'open Mic' farewell dance this year, due to Covid 19 uncertainty but intend to reinstate in following years.

If there is another Covid spike, causing the event to be cancelled, any ticket payments will be returned in full.

We hope to have a short tea break during each dance session, but if this is not possible due to recommended Covid rules in October, dancers will be asked to bring their own refreshments and we will have more dancing instead.

Please bring your own mask and personal sanitizer.

We will supply hand sanitizers, and have masks for sale should you have forgotten yours (hopefully masks will not be compulsory by then)

We will still ask people to wash hands or sanitize between tips and keep your distance where ever possible.

DO NOT attend if you are feeling unwell. You will not be allowed entry if you have any Covid symptoms.

(a refund due to Covid will be given if we can sell your ticket.)
