

27th Annual 'Nuts in May'

The 27th Annual 'Nuts in May' camp out was a superb weekend, called & cued by Terry Mc Cann, Di Green & Matt Baldry.

30 pitches were taken by all manner of accommodation from the smallest camper van I have ever seen, to a tent, big enough for 2 squares to dance in belonging to Heather & Philip.

Some campers have been coming for years but no longer dance so continue to come to meet up and socialise with their dancing friends.

People came from far and wide with 4 couples from Lune Valley Valley attending, Gill & Alan, Heather & Philip, Brian & Carol and our own & Nuts in May Callers Di & Terry, all choosing different accommodation. A Caravan, a Camper van, a Tent & an hotel.

There were 6 squares with others resting, of ages from 1½ to 85+, as we had three generations of square & round dancers staying.

It was lovely meeting up with all our friends whom we had met at other dancing weekends around the country, but it was particularly nice to welcome Martin & Jannette to Britain again, visiting from Aussie.

There were daytime workshops from MS to A2 & rounds, with alternate evening dances of MS/P & Rounds.

Anabel 4½, had her first taste of rounds, with her new found 'bestest' friend Martin, Shoulder high throughout.

As always, Di, Terry and Matt provided an excellent weekend of dance with some tricky and interesting choreography with lots of fun and laughter. Why don't you come and join us next year and join in the fun.
